'WHEREAS the raising or keeping a Standing Army within the United Kingdom of *Great Britain* and *Ireland* in Time of Peace, unless it be with the Consent of Parliament, is against Law: And whereas it is adjudged necessary by Her Majesty and this present Parliament that a Body of Forces should be continued for the Safety of the United Kingdom, the Defence of the Possessions of Her Majesty's Crown; and the Preservation of the Balance of Power in *Europe*, and that the whole Number of such Forces should consist of One hundred and twenty-two thousand six hundred and fifty-five Men, exclusive of Fifteen thousand and five Officers and Men, being the Depôts of Regiments in *India* stationed in *Great Britain*, and exclusive of the Officers and Men belonging to the Regiments and other Corps employed in Her Majesty's *East Indian* Possessions, but including the Officers and Men of the Troops and Companies recruiting for those Regiments and Corps: And whereas no Man can be forejudged of Life or Limb, or subjected in Time of Peace to any Kind of Punishment within this Realm, by Martial Law, or in any other Manner than by Judgment of his Peers, and according to the known and established Laws of this Realm; yet nevertheless it being requisite, for the retaining all the before-mentioned Forces in their Duty, that an exact Discipline be observed, and that Soldiers who shall mutiny or stir up Sedition, or shall desert Her Majesty's Service, or be guilty of Crimes and Offences to the Prejudice of good Order and Military Discipline, be brought to a more exemplary and speedy Punishment than the usual Forms of the Law will allow:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows: Numbers, 122,655 Men.

4 & 5 W. 4. c. 24.

20 & 21 Vict. c. 37.

'WHEREAS an Act was passed in the Session holden in the Fourth and Fifth Years of King *William* the Fourth, Chapter Twenty-four, "to alter, amend, and consolidate the Laws for "regulating the Pensions, Compensations, and Allowances to be made to Persons in respect of their "having held Civil Offices in His Majesty's Service:" And whereas by an Act of the Session holden in the Twentieth and Twenty-first Years of Her Majesty, Chapter Thirty-seven, Section Twenty-seven of the first-recited Act, by which an Abatement was directed to be made from the Salaries of Civil Servants entitled to Superannuation Allowance, was repealed: And whereas it is desirable further to amend the said Act as herein-after mentioned:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

Sections 10, 11, 13, 14, 15, 17, 19, and 24 of 4 & 5 W. 4. c. 24. repealed.

I. Sections Ten, Eleven, Thirteen, Fourteen, Fifteen, Seventeen, Nineteen, and Twenty-four of the said Act of the Fourth and Fifth Years of King *William* the Fourth are hereby repealed, but such Repeal shall not affect any Pension, Compensation, or Superannuation Allowance granted or Act done before the passing of this Act.

II. Subject to the Exceptions and Provisions herein-after contained, the Superannuation Allowance to be granted after the Commencement of this Act to Persons who shall have served in an established Capacity in the permanent Civil Service of the State, whether their Remuneration be computed by Day Pay, weekly Wages, or annual Salary, and for whom Provision shall not otherwise have been made by Act of Parliament, or who may not be specially excepted by the Authority of Parliament, shall be as follows; (that is to say,)

And in like Manner a further Addition to the annual Allowance of One Sixtieth in respect of each additional Year of such Service, until the Completion of a Period of Service of Forty Years, when the annual Allowance of Forty Sixtieths may be granted; and no Addition shall be made in respect of any Service beyond Forty Years:

This Act to apply to Persons already in the Civil Service, but without Prejudice to existing Rights.

III. Nothing herein contained shall interfere with the Grant, to the Officers and Clerks who entered the Public Service prior to the Fifth Day of *August* One thousand eight hundred and twenty-nine, of such Superannuation Allowances as might hereafter have been granted to them under Section Nine of the said Act of the Fourth and Fifth Years of King *William* the Fourth, or shall prevent, restrict, or diminish any other Superannuation Allowance, Pension, Gratuity, or Compensation which, if this Act had not been passed, might hereafter have been granted to any Person who shall have entered the Public Service before the passing of this Act, but, except as aforesaid, the Provisions herein-after contained shall apply as well to Persons who have already entered the Public Service, whether before or after the said Fifth Day of *August* One thousand eight hundred and twenty-nine, as to those who may hereafter enter the Public Service.

Provision for computing Amount of Superannuation to Persons holding professional and other special Offices.

IV. It shall be lawful for the Commissioners of the Treasury from Time to Time, by any Order or Warrant, to declare that for the due and efficient Discharge of the Duties of any Office or Class of Offices to be specified in such Order or Warrant, professional or other peculiar Qualifications, not ordinarily to be acquired in the Public Service, are required, and that it is for the Interest of the Public that Persons should be appointed thereto at an Age exceeding that at which Public Service ordinarily begins; and by the same or any other Order or Warrant to direct that when any Person now holding or who may hereafter be appointed to such Office or any of such Class of Offices shall retire from the Public Service, a Number of Years not exceeding Twenty, to be specified in the said Order or Warrant, shall, in computing the Amount of Superannuation Allowance which may be granted to him under the foregoing Section of this Act, be added to the Number of Years during which he may have actually served, and also to direct that in respect of such Office or Class of Offices the Period of Service required to entitle the Holders to Superannuation may be a Period less than Ten Years, to be specified in the Order or Warrant; and also to direct that, in respect of such Office or Class of Offices, the Holder may be entitled to Superannuation, though he may not hold his Appointment directly from the Crown, and may not have entered the Service with a Certificate from the Civil Service Commissioners: Provided always, that every Order or Warrant made under this Enactment shall be laid before Parliament.

Allowances in Cases of bodily Injury.

V. It shall be lawful for the Commissioners of the Treasury to grant to any Person who, being the Holder of an Office in respect of which a Superannuation Allowance may be granted, but not having completed the Period which would have entitled him to a Superannuation Allowance, is compelled to quit

quit the Public Service by reason of severe bodily Injury, occasioned, without his own Default, in the Discharge of his public Duty, a Gratuity not exceeding Three Months Pay for every Two Years of Service, or a Superannuation Allowance not exceeding Ten Sixtieths of the annual Salary and Emoluments of his Office.

Power to Treasury to grant Gratuities in case of short Service.

VI. It shall be lawful for the Commissioners of the Treasury to grant to any Person who, being the Holder of an Office in respect of which a Superannuation Allowance may be granted, is constrained, from Infirmity of Mind or Body, to leave the Public Service before the Completion of the Period which would entitle him to a Superannuation Allowance, such Sum of Money by way of Gratuity as the said Commissioners may think proper, but so as that no such Gratuity shall exceed the Amount of One Month's Pay for each Year of Service.

Power to Treasury to grant Allowances on Abolition of Offices.

VII. It shall be lawful for the Commissioners of the Treasury to grant to any Person retiring or removed from the Public Service in consequence of the Abolition of his Office, or for the Purpose of facilitating Improvements in the Organization of the Department to which he belongs, by which greater Efficiency and Economy can be effected, such special annual Allowance by way of Compensation as on a full Consideration of the Circumstances of the Case may seem to the said Commissioners to be a reasonable and just Compensation for the Loss of Office; and if the Compensation shall exceed the Amount to which such Person would have been entitled under the Scale of Superannuation provided by this Act if Ten Years were added to the Number of Years which he may have actually served, such Allowance shall be granted by special Minute, stating the special Grounds for granting such Allowance, which Minute shall be laid before Parliament, and no such Allowance shall exceed Two Thirds of the Salary and Emoluments of the Office.

Condition of Grant of full Superannuations to public Servants not Heads of Departments.

VIII. It shall not be lawful for the Commissioners of the Treasury to grant the full Amount of Superannuation Allowance which can be granted under this Act to any Person not being the Head Officer or One of the Head Officers of a Department, unless upon Production of a Certificate (signed by the Head Officer of the Department, or by Two Head Officers, if there be more than One) that he has served with Diligence and Fidelity to the Satisfaction of such Head Officer or Officers; and in every Case in which any Superannuation Allowance is granted, after the Refusal of such Certificate, the Minute granting it shall state such Refusal and the Grounds on which the Allowance is granted.

Power to Treasury to grant Allowances for special Services,

IX. Provided, That it shall be lawful for the Commissioners of the Treasury to grant to any Person any Superannuation, Compensation, Gratuity, or other Allowance of greater Amount than the Amount which might be awarded to him under the foregoing Provisions, when special Services rendered by such Person, and requiring special Reward, shall appear to them to justify such Increase, but so that such Allowance shall in no Case exceed the Salary and Emoluments enjoyed by the Grantee at the Time of Retirement, and the Grounds of every such Increase shall be stated in a Minute of the Treasury, which shall be laid before Parliament; and it shall be lawful for the said Commissioners to grant to any Person any such Allowance of less Amount than otherwise would have been awarded to him where his Defaults or Demerit in relation to the Public Service appear to them to justify such Diminution.

and for Demerits in individual Cases.

Evidence of Infirmity of Persons under Sixty.

X. It shall not be lawful to grant any Superannuation Allowance under the Provisions of this Act to any Person who shall be under Sixty Years, unless upon Medical Certificate to the Satisfaction of the Commissioners of the Treasury that he is incapable, from Infirmity of Mind or Body, to discharge the Duties of his Situation, and that such Infirmity is likely to be permanent.

Persons superannuated under Sixty may be required to serve again.

XI. Every Person to whom a Superannuation or Compensation Allowance shall have been granted before he shall have attained the Age of Sixty Years shall, until he has attained that Age, be liable to be called upon to fill, in any Part of Her Majesty's Dominions in which he shall before have served, any Public Office or Situation under the Crown for which his previous public Services may render him eligible; and if he shall decline, when called upon to do so, to take upon him such Office or Situation, or shall decline or neglect to execute the Duties thereof satisfactorily, being in a competent State of Health, he shall forfeit his Right to the Compensation or Superannuation Allowance which had been granted to him.

Persons to retain Right to Superannuation on Transfer to other Employment under the Crown.

XII. 'And whereas it will be for the Advantage of the Public Service that Officers holding Employments entitling them to Superannuation Allowances under this or other Acts shall be eligible for other Public Employments at home and abroad, without forfeiting their Claims to such Allowances:'

Every Officer already or hereafter to be transferred from Employment entitling him to Superannuation Allowance to Public Employment under the Crown not so entitling him shall be entitled, on his ultimate Retirement from the Public Service, to the same Allowance as if he had continued to hold the vacated Appointment and at the same Rate of Salary as when the same was vacated, subject nevertheless to the Conditions which would in that Case have been applicable with respect to the Grant of such Allowance; provided that it shall be lawful for the Commissioners of the Treasury, in the Case of Officers transferred to Governorships and Lieutenant-Governorships of Colonies, and other high Offices abroad, conferred for a limited Period, to grant such Superannuation Allowance to such Officers on the Expiration of such Term of Service without a Renewal of Public Employment; but any Officer to whom such Grant is made while under the Age of Sixty Years shall be subject to the same Liability to be called upon to fill Office under the Crown, as herein provided concerning other Persons under that Age to whom like Allowances are granted.

Orders, &c., when to be laid before Parliament.

XIII. All Orders, Warrants, and Minutes by this Act directed to be laid before Parliament shall be laid before both Houses of Parliament within Fourteen Days after the making thereof if Parliament be sitting, and if Parliament be not sitting then within Fourteen Days after the next Meeting thereof.

To whom 57 G. 3 c. 65. s. 6. shall apply.

XIV. No Pension shall be granted under the Provisions of Section Six of the Act of the Fifty-seventh Year of King *George* the Third, Chapter Sixty-five, to any Person who shall not have had a Seat in One of the Houses of Parliament during the Period or One Half of the Period for which he has held Office, as in the said Section is mentioned.

Acts in Schedule to be construed as referring to this Act.

XV. Recites that by the Mersey Docks and Harbour Act, 1857, being an Act for consolidating the Docks at Liverpool and Birkenhead into One Estate, and for vesting the Control and Management of them in One Public Trust, and for other Purposes, the Mersey Docks and Harbour Board were incorporated for the Purposes therein mentioned; and by the 22d Section of "The Mersey Dock Acts Consolidation Act, 1858," being an Act passed for consolidating and amending the Provisions of the several Acts relating to the Liverpool and Birkenhead Docks and the Port and Harbour of Liverpool, it was provided that, subject to the Provisions of such Act, the Board might purchase such Lands, and might construct, complete, and erect and maintain all such Docks, Piers, and other Works of every Nature authorized to be purchased, constructed, or erected by any of the Acts thereby repealed, as had not then been purchased, constructed, erected, or completed (save only as was otherwise directed by an Act of the same Session of Parliament relating to Works at Birkenhead); and by Section 281 of the same Act it was provided that the Board might borrow at Interest, on the Security of the Rates, (exclusive of any Sum or Sums required for the Completion of the Birkenhead Docks and Works, or for the Purposes specially provided for by "The Mersey Docks and Harbour Act, 1857,") a further Sum not exceeding 266,000*l.*, which Sum of 266,000*l.*, with the Sum of 6,134,000*l.*, borrowed under the Authority of the Acts therein referred to previously to the 1st Day of January 1858, would amount to the Sum of 6,400,000*l.*, and such Sum of 6,400,000*l.*, exclusive of the Moneys which the Board was authorized to borrow by "The Mersey Docks and Harbour Act, 1857," should be the Extent of the Debt authorized to be due and owing at any one and the same Period of Time on the Security of the Rates, and that the said Sum of 266,000*l.* should be applied exclusively towards certain Objects therein particularly mentioned in connexion with the Liverpool Docks; that, owing to the rapidly increasing Trade of the Port of Liverpool, and the very urgent Requirements of Traders resorting thereto for further Dock Accommodation at Liverpool, it is expedient that the Board should be authorized to take up at Interest a further Sum of Money, not exceeding the Sum of 300,000*l.*, for the Purpose of enabling them to construct and complete some of the Docks and other Works which by the aforesaid 22d Section of "The Mersey Dock Acts Consolidation Act, 1858," they are authorized to construct and complete on the East or Liverpool Side of the River Mersey, and not being any of the Objects or Works referred to in or contemplated by the aforesaid 281st Section of the same Act.

III. The Board may borrow at Interest, on the Security of the Rates, (exclusive of any Sum or Sums of Money required for the Completion of the Birkenhead Docks and Works, and for the Purposes specially provided for by the "Mersey Docks and Harbour Act, 1857,") a further Sum not exceeding Three hundred thousand Pounds, which Sum of Three hundred thousand Pounds, with the Sum of Six million four hundred thousand Pounds, the Amount of Debt authorized by "The Mersey Dock Acts Consolidation Act, 1858," will amount to the Sum of Six million seven hundred thousand Pounds, and such Sum of Six million seven hundred thousand Pounds (exclusive of such other Moneys as aforesaid) shall be the Extent of the Debt authorized to be due and owing at any one and the same Period of Time on the Security of the Rates, and such Sum of Three hundred thousand Pounds shall be applied exclusively in or towards the Construction and Completion, upon Land now vested in the Board, of some or all of the following Objects in connexion with the Liverpool Docks, that is to say, a Branch Dock from and out of and being an Enlargement of the Huskisson Dock, at the South-east Corner thereof, a Half-tide Basin at the North End of and communicating with the existing Canada Dock and Canada Basin, Two narrow or Canal-shaped Docks, running eastwardly from the Half-tide Basin, and a Lock on the North Side of such last-mentioned Basin, together with such Jetties, Cranes, and other Works as may be necessary for the Transport, Loading, and Discharge of Timber to, from, into, and in the Space proposed to be used as a Timber Pond or Ponds to the Northward of the said Half-tide Basin, and generally for increasing the Public Accommodation in connexion with the existing Docks and Works at Liverpool.

IV. In order to make Provision for the Repayment of the Principal Moneys which have already been borrowed or which may hereafter be borrowed by the Board, under the Authority of Parliament, be it enacted, That after Payment in each Year of all Charges and Expenses attending the Collection of Rates, or incidental thereto or to the Recovery thereof, and after Payment of all Interest accruing due on Moneys for the Time being forming a Charge upon such Rates, and of the Dock Annuities authorized to be granted by the Board, and after Payment of all Charges and Expenses of supporting, maintaining, and repairing the Works authorized to be erected,

established, and maintained by the Board, and of the general Management of the Mersey Dock Estate, and of all reasonable Expenses necessary for conducting, securing, preserving, improving, amending, maintaining, and protecting the same, the Board shall, yearly and every Year subsequent to the Twenty-fourth Day of June One thousand eight hundred and sixty, apply the Surplus, if any, of the Rates which shall remain in their Hands after such Payments as aforesaid, to the Extent of One hundred thousand Pounds, or such less Amount as the said Surplus shall be equal to, in or towards the Repayment of some or any of the Principal Moneys which shall then be due and owing on the Security of the Rates, and which shall then have become due and payable, and in the purchasing up and extinguishing of the Mersey Dock Annuities which may be then existing, according to the respective Priorities of such Moneys and Annuities, until all Principal Moneys due on the Security of the Rates shall have been repaid, and all Mersey Dock Annuities shall have been purchased up and extinguished; and, subject to the Provisions herein contained, all Rates and other Moneys which shall be collected, levied, borrowed, and raised, or received, under or by virtue of the said recited Acts or either of them, or of this Act, the Application of which may not be otherwise expressly directed, shall and may be applied by the Board according to the Provisions for that Purpose contained in Section Two hundred and eighty-four of the "Mersey Dock Acts Consolidation Act, 1858."

V. In case the Board shall at any Time possess any such Surplus as aforesaid applicable towards paying off borrowed Moneys, or redeeming or extinguishing Mersey Dock Annuities, it shall be lawful for them to apply all or so much of the Surplus applicable as aforesaid as they shall deem expedient in or towards any Purposes for which they have Power to borrow Moneys on the Security of the Rates under this or any previous Act.

VI. When and as often as any of the surplus Moneys shall have been applied by the Board under the above Provisions in Repayment of any Moneys borrowed on the Security of the Rates or in the Purchase or Extinguishment of any Dock Annuity, or in or towards any Purposes for which Moneys might otherwise have been borrowed on the Security of the Rates, the Borrowing Powers of the Board to the Extent of the Moneys so applied shall be extinguished.

* This appears to be a mis-recital of the Act intended. The Act relating to Probates, &c. in *Ireland* is that recited in the Margin, viz., 20 & 21 Vict. c. 79. There is a Probate Act of 21 & 22 Vict. c. 95., but that is an Act to amend the 20 & 21 Vict. c. 77. which relates to Probates and Administrations in *England* exclusively; ss. 7, 8, 14, 25, and 33 of the present Act evidently refer to the 20 & 21 Vict. c. 79. Short Title.

XXXVI. In citing this Act in any Instrument, Document, or Proceeding it shall be sufficient to use the Expression "Court of Probate Act (*Ireland*), 1859."

* This Reference is not accurate. The Preamble of the present Act gives to the Act intended to be amended, viz.: the Probate Act, *Ireland*, the Title of "The Court of Probate Act," and it is so referred to in ss. 7, 8, and 14, supra. The Title of "The Court of Probate Act, 1857," is appropriated to the English Probate Act, 20 & 21 Vict. c. 77. by the amending Act 21 & 22 Vict. c. 95. s. 38. But it is clear that it is the Probate Act, *Ireland*, which is intended to be amended by the present Section.

Powers to work Mines, &c.

III. In every Case in which the Right and Interest in all or any Mines, Minerals, Stone, and other Substrata are reserved by any Provisional Order to be issued after the passing of this Act to the Lord of the Manor or such other Person entitled to the Soil of the Land inclosed as aforesaid, and with a further Reservation to the Lord or to such other Person of a Right to enter the Lands when inclosed, and work such Mines, Minerals, Stone, and other Substrata, it shall be lawful for the Lord, his Heirs and Assigns, or for such other Person entitled to the Soil as aforesaid, his Heirs and Assigns, at any and at all Time and Times thereafter, by himself or themselves, or his or their Tenants, Agents, or Servants, and with or without Horses or other Animals, or Carriages, and Materials of all Kinds, to enter upon the said Lands or any Part thereof, and to break the Surface thereof, and search for, win, work, take, and carry away the said Mines, Minerals, Stone, and other Substrata, or any of them, and for that Purpose to dig, sink, drive, and make Pits, Shafts, Drifts, Headways, Levels, Adits, Airgates, Watercourses, Soughs, Trenches, Buddles, Fences, and Sluices, and to erect, build, and make Pumps, Engines, Furnaces, Smelting Houses, Stamping Mills, Ore and Store Houses, Sheds, Hovels, and Stables, and other Erections, and to do all other Things necessary or convenient, as well for working the said Mines, as for refining the Metals and Minerals, hewing and working the Stone and other Substrata, and removing all the Water, Slag, and Rubbish from the Works, and for the Accommodation of the Persons employed therein, and to occupy such Part of the said Land as shall be convenient and sufficient for laying, ordering, and dressing the Ores, Minerals, Metals, Stone, and other Substrata, and, if judged necessary, to alter the Course of Streams, and to maintain, repair, and use any Railroads or other Roads for any of the Purposes aforesaid, and generally to do all other Things necessary or convenient for the sinking, winning, working, and carrying away the said Mines, Minerals, Stone, and other Substrata, and for refining the Metals and Minerals, and hewing and working the Stone and other Substrata thereby produced.

To be levied by Distress.

VI. In case any Person who shall be charged to such Rate as aforesaid shall refuse or neglect to pay the same within a Time to be limited by the said Justices, to the Person for the Time being entitled to such Payment, then any Two or more Justices of such County or Riding, or other District or Place as aforesaid, shall, by Warrant under their Hands and Seals, cause the same to be levied by Distress; and in case any occupying Tenant of any Hereditaments constituting or being Part of any of the said Allotments shall pay any Part of such Rate as aforesaid, every such Occupier shall be at liberty to deduct the same out of his next Rent, and his Landlord shall allow such Deduction, unless there shall be some Provision to the contrary in the Lease or Agreement under which such Hereditaments are held by such Occupier.

Annual Value of Allotments to be stated in Award.

VII. In every Case to which the Provisions of this Act shall be applicable, the Valuer acting in the Matter of the Inclosure shall by his Award ascertain and determine the proportionate Shares of any such Rate as aforesaid to be paid in respect of each of the Allotments to be set out under the Inclosure, and the average annual Value *per* Acre of each Allotment at the Time of making his Award, and such average

CAP. LII.

An Act to amend the Laws relating to the Police District of *Dublin* Metropolis.

[13th *August* 1859.]

6 & 7 W. 4. c. 29.

'WHEREAS by an Act passed in the Sixth and Seventh Years of the Reign of King *William* the Fourth, Chapter Twenty-nine, it was enacted, that it should be lawful for the Lord Lieutenant or other Chief Governor or Governors of *Ireland* to appoint Two fit Persons as Justices of the Peace for and of the Police District of *Dublin* Metropolis, to execute such Duties as are in the said Act specified or referred to, and the said Act also empowered the said Lord Lieutenant to direct that an annual Salary not exceeding the Sum of Eight hundred Pounds should be paid out of the Consolidated Fund of the United Kingdom of *Great Britain* and *Ireland* to each of the Justices to be so appointed; and by the said Act the Commissioners of the Treasury were empowered to appoint a Person to receive all Sums of Money applicable to the Purposes of the said Act, and to allow to him such yearly Salary as therein mentioned; and the Duties of such Receiver were in the said Act particularly set forth: And whereas by several subsequent Acts the Duties and Powers of the Justices appointed under the said first-recited Act, and which Justices are in such subsequent Acts denominated Commissioners of Police for the said District, have been extended and defined; and the Office of Secretary to the said Commissioners is recognized, and certain Notices are directed to be served upon him: And

17 & 18 Vict. c. 94.

whereas by an Act passed in the Seventeenth and Eighteenth Years of the Reign of Her present Majesty, Chapter Ninety-four, the Charge of the Salaries of the said Justices or Commissioners has been removed from the Consolidated Fund of the United Kingdom, and the said Salaries are now

1 Vict. c. 25.

annually provided for by Parliament: And whereas by an Act passed in the First Year of the Reign of Her Majesty, Chapter Twenty-five, Power was given to the Lord Lieutenant or other Chief Governor or Governors of *Ireland* to divide the Police District of *Dublin* Metropolis into any Number not exceeding Four Divisions, and to define and declare the Limits thereof accordingly, and to establish Public Offices therein, One in each such Division, and to attach to each such Office any Number not exceeding Three Divisional Justices; and it was thereby further enacted, that whenever the Number of Divisional Justices at any Public Office in the said District should not exceed Two, or the Number of Offices be reduced below Four, it should be lawful for the said Lord Lieutenant or other Chief Governor or Governors to increase the Salary of each Divisional Justice at the said Office, or in case of the Reduction of the Number of Offices at the remaining Offices, to any Sum not exceeding Six hundred Pounds by the Year, to be charged on the Funds applicable to the Maintenance of the said Police:

3 & 4 Vict. c. 103.

And whereas by another Act passed in the Third and Fourth Years of Her Majesty's Reign, Chapter One hundred and three, it was enacted, that it should be lawful for the Lord Lieutenant or other Chief Governor or Governors of *Ireland*, by and with the Advice and Consent of Her Majesty's Privy Council in *Ireland*, to establish in any One or more of the Divisions of the said District such Number of Public Offices as should to him or them, with the Advice and Consent aforesaid, appear necessary: And whereas, in pursuance of the said recited Acts, the Divisions of the said District have been reduced to Three, and in One of such Divisions Two Public Offices are established, One in the City of *Dublin* and the other in the Town of *Kingstown*, and in the said last-mentioned Office Justice is administered by One of the Justices of the Division to which the same belongs: And whereas it is expedient that instead of Two Commissioners of Police there should be One Commissioner and One Assistant Commissioner of Police for the said District of *Dublin* Metropolis, and that Provision should be made for consolidating the Offices of Receiver of the said Police District, Secretary to the said Commissioners, and Supervisor of Taxes of the said District, and that Provision should be made for consolidating the Divisions of the said District, and administering Justice at One or more Police Courts in the said District, without reference to such Divisions:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

Interpretation of Terms.

I. In the Interpretation of this Act the Words "Lord Lieutenant" shall mean Lord Lieutenant or other Chief Governor or Governors of *Ireland*, "Commissioners of Police" and "Receiver" shall mean respectively the Justices and the Receiver appointed under the first herein-before recited Act, "Justices" shall mean "Divisional Justices," or Justices appointed to administer Justice at the Police Office or Police Courts of the Police District of *Dublin* Metropolis.

IV. Anything authorized to be done by the Commissioners by any Act herein recited or by any other Act may be done by either of the Commissioners now holding Office, and after the Commissioners shall have become Chief Commissioner and Assistant Commissioner, as herein provided, may be done by the Chief Commissioner alone, or in his Absence by the Assistant Commissioner alone; provided that to establish the Validity of any Act or Thing done by the Assistant Commissioner it shall not be necessary to prove the Absence of the Chief Commissioner. One Commissioner to act in certain Cases.

V. Whenever the Offices of Receiver, Secretary to the Commissioners of Police, and Supervisor of Taxes, or any of them, shall be vacant, it shall be lawful for the Lord Lieutenant, with the Consent of the Commissioners of the Treasury, to appoint One and the same Person to hold the said Offices, or such of them as shall be vacant; and it shall be lawful for the Commissioners of the Treasury to assign to the Person to be appointed to the said Offices an annual Salary not exceeding Five hundred Pounds. When Offices of Receiver, &c. vacant, One Person may be appointed to hold them.

VI. If the Commissioners of the Treasury shall be of opinion that it would be for the Advantage of the Public Service that the said Offices should be so consolidated as aforesaid, notwithstanding that no such Vacancy shall have occurred, it shall be lawful for the Commissioners of the Treasury, on the Recommendation of the Lord Lieutenant, to carry into effect such Consolidation, and to grant to the Holders of the said Offices of Receiver, Secretary, and Supervisor such Pension or Annuity by way of Compensation for the Loss thereof as to them may appear just, not exceeding Two Thirds of the respective Salaries of the said Receiver, Secretary, or Supervisor, when the Holders of the said Offices shall have served for a Period of less than Twenty Years, and an annual Sum not exceeding the whole of the Salary when such Service shall have exceeded the said Period of Twenty Years. Offices may be consolidated if no Vacancy have occurred, and Compensation granted for Loss of Office.

VII. Whenever the Consolidation of the Offices aforesaid shall include the Office of Receiver, the Person to be appointed to the consolidated Office shall be deemed and taken to be and shall be designated "the Accountant" of the said Commissioners of Police; and all Property belonging to, acquired, or purchased by the said Receiver in his public Capacity, and all Monies standing in his Name in the Books of the Governor and Company of the Bank of *Ireland*, and all Cash Balances in hand, shall be vested in the said Accountant; and all Proceedings, of what Kind soever, which if this Act had not been passed should have been taken or done by or in the Name of any of the Holders of the Offices so consolidated shall thereafter be taken or done by or in the Name of the said Accountant, as fully and effectually, to all Intents and Purposes, as if the Word "Accountant" had been used in the Act of Parliament, Lease, Contract, Licence, or other Instrument which authorized the taking or doing thereof, instead of the Words "Receiver," "Secretary," or "Supervisor," as the Case may be; and such Accountant shall give to the said Commissioners of Police Security for the due and faithful Application of all Monies paid to him or lodged to his Account under the Provisions of the Acts relating to the *Dublin* Police, in such Manner and Amount as shall be determined by the said Commissioners, with the Approval of the Commissioners of the Treasury. When Consolidation of Offices shall include Receiver, that Officer to be styled the Accountant, and Property to be vested in him, &c.

VIII. It shall be lawful for the Lord Lieutenant, if he shall so think fit, by and with the Advice and Consent of Her Majesty's Privy Council in *Ireland*, to abolish the Divisions of the said Police District, and from Time to Time to order that there shall be for the whole of the said District such Number of Public Offices or Police Courts for the Administration of Justice, to be held at such Place or Places, as he shall by and with such Advice and Consent as aforesaid deem proper; and the Lord Lieutenant may, if he shall so think fit, reduce the Number of Justices for the said District. Lord Lieutenant may abolish Divisions of Police District, and appoint Courts and Justices.

IX. Whenever the Number of Justices of the said Police District shall not exceed Five, it shall be lawful for the Lord Lieutenant, if he shall so think fit, to raise the Salary of each of the said Justices to any Sum not exceeding Nine hundred Pounds by the Year, provided that the Amount of such increased Salaries shall not exceed the gross Amount now authorized by Law to be paid to all such Justices respectively. When Justices reduced to Five, Lord Lieutenant may raise their Salary.

X. It shall be lawful for the Lord Lieutenant to direct the regular daily Attendance at the Police Courts of the said Justices or any of them, or of any of the other Justices heretofore appointed or hereafter to be appointed, and to make from Time to Time such Regulations in respect of the Number of Justices to attend each Police Court, and of the Attendance thereat of any of such Justices, and of the Officers belonging to any of the Police Courts, as may be deemed expedient. Lord Lieutenant may direct daily Attendances at Police Courts.

XI. It shall be lawful for any One Justice to sign and execute any Warrant or other Instrument, or to do alone at any of the said Police Courts, or at any Place where for any special Purpose he may by Warrant under the Hand of the said Chief or Under Secretary be directed to attend and to act singly, any Act which by any Law now in force, or by any Law not containing an express Enactment to the contrary, hereafter to be made, is or shall be directed to be signed, executed, or done by more than One Justice. One Justice may do any Act directed to be done by more than One Justice.

XII. It shall be lawful for the Commissioners of the Treasury, on the Recommendation of the Lord Lieutenant, to grant to any Magistrate, Clerk, or other Person belonging to any of the Offices of the Police Compensation to Persons belonging to the

Police Department whose Offices are abolished by this Act.

Police Department whose Office shall cease or become unnecessary, or be abolished under this Act, and who shall not be reappointed or employed or retained in an Office of equal Value, such Compensation or Allowance, chargeable upon and payable out of any Monies provided by Parliament for the Maintenance of the Police of the said Police District of *Dublin* Metropolis, as under the Circumstances of each Case shall appear just: Provided always, that the Payment of any such last-mentioned Compensation or Allowance shall altogether cease and be suspended while the Person to whom such Compensation or Allowance shall be granted shall hold any Office in any Public Department the Salary or Profits of which shall be equal to or shall exceed the Salary which was enjoyed by such Person in such Office so ceasing or becoming unnecessary or being abolished; and in case the Salary or Profits of the Office to which such Person shall be appointed shall be less than the Salary which was enjoyed by such Person in such Office so ceasing or becoming unnecessary or being abolished, then only such Amount of Compensation or Allowance shall be paid to him as shall, together with the Salary and Profits of such new Office, be equal to the Amount of the Salary enjoyed by such Person at the Time of his Office so ceasing or becoming unnecessary or being abolished as aforesaid.

Not to lessen, &c. Power of Justices.

XIII. Nothing in this Act contained shall lessen, take away, or abridge any Power, Jurisdiction, or Authority now possessed by the said Justices of the said District.

5 & 6 W. 4. c. 63.

'WHEREAS it is expedient that the Act passed in the Session holden in the Fifth and Sixth Years of the Reign of King *William* the Fourth, Chapter Sixty-three, intituled *An Act to repeal an Act of the Fourth and Fifth Years of His present Majesty, relating to Weights and Measures, and to make other Provisions instead thereof*, should be amended:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

The SCHEDULE referred to in the foregoing Act.

An Agreement made the Eighteenth Day of November in the Year of our Lord One thousand eight hundred and fifty-eight between the Right Honourable Edward Geoffrey Earl of Derby and the Right Honourable Benjamin Disraeli, Two of the Lords Commissioners of Her Majesty's Treasury, of the one Part, and the Red Sea and India Telegraph Company (Limited) of the other Part. Whereas the above-mentioned Company are incorporated under the "Joint Stock Companies Act, 1856," with a Capital of Eight hundred thousand Pounds, the whole of which has been subscribed for, and Ten per Cent. upon the Amount thereof has been paid up: And

whereas the Objects of the said Company are the establishing Telegraphic Communication between England and India by the Red Sea, under Concessions granted by the Turkish and Egyptian Governments, and for this Purpose they are entering into Arrangements for the Construction, laying down, and working of a Line of Telegraph from Alexandria to Kurrachee by the Red Sea and Aden: And whereas the last-mentioned Line of Telegraph, when laid down and in work, is likely to to be extensively used on Her Majesty's Service, and it is therefore expedient that the Lords Commissioners of Her Majesty's Treasury acting on behalf of Her Majesty and the various Departments of Her Majesty's Government, should make Arrangements with the said Company for the proper Transmission and Delivery of Messages on Her Majesty's Service, and for the Rates and Charges to be made for the same: And whereas, in consideration of the Difficulties of the Company's Undertaking, and the great Importance and Value of the said Line of Telegraph when laid down and in work, as well for Her Majesty's Service as to the Public at large, it has been deemed proper that some Encouragement and Assistance should be given by the Government to the said Company in the Prosecution of their Undertaking, and for this Purpose the said Lords Commissioners are willing to enter into an Agreement, subject to such Confirmation as herein-after mentioned, for guaranteeing to the Company such Rate of Interest or Dividend for such Period and upon such Terms as herein-after mentioned: Now therefore the said Lords, Parties hereto, as such Commissioners for Her Majesty's Treasury, for themselves and their Successors, and the Red Sea and India Telegraph Company (Limited) for themselves, their Successors and Assigns, hereby mutually covenant as follows:

1. That the Work to be undertaken by the Company shall be the laying down a Line of Electric Telegraph from Alexandria to Kurrachee by the Red Sea and Aden, as above mentioned.

2. That the Construction and laying down of the Line of Telegraph from Alexandria to Aden, and thence to Kurrachee, shall be commenced forthwith, and proceeded with with all Diligence.

3. That the Company shall employ for the Construction and laying down of the said Line of Telegraph from Alexandria by Aden to Kurrachee Contractors of high Position and extensive Experience in Telegraphic Operations, and shall immediately enter into a Contract with such Contractors whereby the Contractors shall bind themselves to construct and lay down the said Line of Telegraph from Alexandria to Aden for a fixed Sum, and within a fixed Period, at their own Risk and upon their own Responsibility, and to hand over the Line to the Company in efficient working Order.

4. That the Company shall themselves well and efficiently work all their Lines of Telegraph for the Transmission and Delivery of Messages.

5. That all Messages and Signals from or to Her Majesty, or on Her Majesty's Service, shall, subject to the Terms of the Concessions from the Turkish and Egyptian Governments, be transmitted and delivered by the Company in preference and priority to all private Messages whatsoever, and the Rates and Charges to be paid for the same shall be the same as may at the Time being be paid in the like Cases by private Persons.

6. That the Lords Commissioners of Her Majesty's Treasury shall guarantee to the Company (subject to such Confirmation by Act of Parliament as herein-after mentioned) that during the Period of Fifty Years from the Fourth Day of August in the Year of our Lord One thousand eight hundred and fifty-eight the net Receipts available for Dividend upon each half-yearly Statement of Accounts, after Payment of working Expenses as herein-after mentioned, shall be equal to Interest or Dividend at the Rate of Four and a Half per Cent. per Annum at the least upon the Amount of the Capital for the Time being bonâ fide called and paid up for the Purpose of the Company's Undertaking, not exceeding in any Case, except as herein-after mentioned, the Sum of Eight hundred thousand Pounds, and shall, if and so often as during the said Period of Fifty Years, upon any half-yearly Statement of Accounts, the net Receipts available for Dividend, after the Payment of Working Expenses, shall not be equal to Interest or Dividend at the Rate of Two and a Quarter per Cent. for the Half Year upon the above-mentioned Amount of Capital, pay and make good such Deficiency to the Company: Provided always, that in the Calculation of the Amount to which the Company are entitled upon this Guarantee all Capital paid up in the Course of the current Half Year shall be taken to be entitled to Interest or Dividend at the above-mentioned Rate only from the Time when the same was so paid up: Provided also, that all Amounts paid by the Lords Commissioners under this Guarantee shall be a Charge upon the Company, to be repaid out of future surplus Profits, as herein-after provided.

7. That the Company shall keep proper and accurate Accounts of all Monies received and all Payments made by them which are properly attributable to "Capital Account," so as at all Times to show the Amount of Capital actually called and paid up by them, and the Manner in which the same has been expended, and the Cash Account of the Company shall be kept at the Bank of England.

8. That the Company shall also keep proper and accurate Accounts of all Monies received by them for the working of their Lines of Telegraph, of all their Working Expenses, and of all other Receipts and Payments properly attributable to "Revenue Account," and these Accounts shall be made up half-yearly to the First Day of January and the First Day of July, so as to show the net Receipts (if any) of the Half Year.

9. That a certified Abstract and Balance Sheet of the Accounts of the Company, as well upon the Capital Account as upon the Revenue Account, and showing also the Appropriation of the net Receipts (if any), and the Amount (if any) to be paid by the Lords Commissioners upon their Guarantee, shall be made out half-yearly to the First Day of January and the First Day of July in each Year during the said Period, and shall be presented to the Lords Commissioners within Thirty Days after those half-yearly Days respectively, and all reasonable Means and Opportunities shall be afforded to the Lords Commissioners, or any Persons nominated by them for that Purpose, to examine into and verify the Correctness of such Accounts.

10. That the Working Expenses shall be taken to include all Expenses of the Management of the Company, and all other Expenses usually carried to Revenue Account.

11. That the Working Expenses of each Half Year shall, in the first instance, be paid out of the gross Receipts upon Revenue Account of that Half Year, and if these shall be insufficient for the Purpose, the Deficiency shall be made good out of the Reserve Fund herein-after mentioned, or, failing that, out of the Capital of the Company.

12. That if upon any Half Year, as well during as after the said Period of Fifty Years, the net Receipts available for Dividend, after Payment of Working Expenses, shall be more than sufficient to pay a Dividend at the Rate of Four and a Half per Cent. per Annum upon the above-mentioned Amount of Capital, the Surplus shall be applied as follows:

(a) If there remains any Debt or Charge outstanding in respect of Payments made in the preceding Half Years

by the Lords Commissioners under their Guarantee, One Third of such Surplus shall be applied in or towards the Payment of such Debt or Charge, another Third shall be applied towards the Formation of a Reserve Fund, not exceeding Ten per Cent. on the Amount of Capital from Time to Time called up and paid as herein-after mentioned, and the Remainder shall be applied to increase the Dividend payable to the Shareholders to an Amount not exceeding in the whole the Rate of Ten per Cent. per Annum upon the paid-up Capital of the Company.

(b) If there shall be no such outstanding Debt or Charge, and if the Reserve Fund shall not at the Time being amount to the full Sum of Ten per Cent. as aforesaid, Two Thirds of such Surplus shall be applied to increase the Dividend payable to the Shareholders to an Amount not exceeding in the whole that above limited; the other One Third, and also any Portion of the first-mentioned Two Thirds remaining after the Dividend of the Shareholders has been increased to the Amount above limited, shall be applied to or towards making up the Reserve Fund after such Rate as aforesaid.

13. That the Reserve Fund shall be applied and used, as Occasion may require, to and for the restoring or replacing of the Telegraphic Cables, and for all Repair and Maintenance of the Telegraphs and Telegraphic Cables, Stations, Instruments, and Machinery of the Company, not being such as are defined in Article 11 as the ordinary Working Expenses, and shall also be applied and used, in any Half Year when the Receipts of the Company shall not be sufficient to defray the Working Expenses, to and for or towards the Payment of the Balance of such working Expenses; and if the Reserve Fund shall not be sufficient for these Purposes or any of them, the further Amount required shall be supplied or paid out of the Capital of the Company.

14. That whenever the Reserve Fund shall be reduced by any Payments made out of it below the said Amount of Ten per Cent. as aforesaid, it shall be again raised to that Amount in the same Manner as upon its original Formation. The Reserve Fund shall be invested, and all Interest or Profits arising from such Investment shall form Part of the Receipts of the Company upon Revenue Account.

15. That in case the Company shall make default or fail in laying down the Line of Telegraph from Alexandria to Aden, or, having laid down that Line, shall make default or fail in laying down the Line of Telegraph from Aden to Kurrachee, or shall at any Time during the said Period of Fifty Years fail to maintain the said Lines of Telegraph or either of them, or to reinstate and restore them if and when necessary, or efficiently to work the said Lines or either of them for the Transmission of Messages, the said Lords Commissioners may, by Notice in Writing to that Effect, require the Company to give up and transfer their Lines of Telegraph and other Property to the said Lords Commissioners, or to any other Department of Her Majesty's Government, and thereupon the Company will, at the Expiration of Six Months from such Notice, give up and transfer to the Lords Commissioners, or to such other Department of the Government, all their Lines of Telegraph (if any) then laid, and the Benefit of all their Concessions with the Turkish and Egyptian Governments, and all their Stations, Instruments, and Machinery, and all their Monies, including the Reserve Fund, and other Property whatsoever, and shall receive and be paid for the same a Sum equal to the Amount of the Capital of the Company so by these Presents authorized to be raised at the Time being called and paid up (all Debts by the Company being discharged), together with Interest thereon at the Rate of Four and a Half per Cent. per Annum from the Day of the last half-yearly Payment of Dividend to the Day on which such giving up and Transfer is to take place.

16. That the Lords Commissioners shall be entitled to nominate any Two Persons whom they shall think fit, whether Shareholders in the Company or not, to be ex officio Directors of the Company, and to represent the Government in the Board of Directors, and shall be entitled at any Time to remove any such Directors or either of them, and appoint another to act in his Stead. "The *Tyne* Improvement Act, 1859."

Recites that by their Act of 1850 the Commissioners were authorized to raise by Mortgage a Sum not exceeding 30,000*l.* for the Improvement of the River, and certain Dues were appropriated and authorized to be carried to a Fund to be called the Tyne Improvement Fund; that by their Act of 1852 they were authorized to construct, within the Period of Seven Years from the passing of that Act, Piers on the Northern and Southern Sides of the Mouth of the River, and to raise on Mortgage of certain Pier Rates thereby granted the Sum of 200,000*l.*; that the Piers are now in the course of Construction, but the Time for completing the same will expire on the Seventeenth Day of June One thousand eight hundred and fifty-nine, and it is expedient to extend the Time so limited; that they have expended on the Works of the said Piers the Sum of 101,606*l.*, or thereabouts, of which the Sum of 32,900*l.* only has been borrowed on Mortgage of the Piers Rate, and the Residue of such Expenditure has been supplied from the annual Proceeds of the said Piers Rate; that the Commission appointed by the Crown on Harbours of Refuge have recommended a Grant of 250,000*l.* from the Consolidated Fund, to aid in the Extension of the said Piers, as authorized by this Act, on condition that further Sums should be expended by the Commissioners; that it is expedient that the Commissioners be authorized to borrow on Security of the Piers Rate a further Sum of Money, and it is reasonable that the Period for the Commencement of the Sinking Fund in respect of the Piers Rate provided by the Act of 1852 should be postponed, inasmuch as above 60,000*l.* have been expended from the Receipts applicable to the same, instead of raising Money on Loan under the Provisions of the said Act; that it is expedient to authorize an Alteration in and an Extension of the Lines of the said Piers as authorized by the Act of 1852; that by the Act of 1852 the Commissioners were empowered to form Docks at a Place called the Hayhole, to be called the Northumberland Docks, and were authorized to raise the Sum of 200,000*l.* on Mortgage for the Purpose, and to levy certain Rates, Dues, and Duties on the said Docks, herein-after called the Dock Rates, and the Money arising from such Rates was directed to be applied as follows:—First, in paying the Expenses of the Working, Management, and Maintenance of the Docks; secondly, in paying the Interest of the Money borrowed; and lastly, in providing a Sinking Fund for paying off the Principal Money borrowed; and it is enacted that (after forming a Reserve Fund) the Commissioners should, in the event of any Surplus remaining, lower the Dock Rates to the Extent of the Surplus; that the Commissioners have constructed the said Docks at Hayhole, now called the Northumberland Docks, and have borrowed the said Sum of 200,000*l.*, and the Docks are open for the Shipment of Coal, and the landing and Shipment of Goods and Merchandise; that a further Expenditure on the said Docks is necessary in order to complete the same, to improve the Approaches thereto, and to supply the

Conveniences and Facilities required by the Trade thereof; and it is expedient to authorize the raising of further Sums of Money for that Purpose; that by the Tyne Improvement Act, 1857, the Commissioners were incorporated; and that the said Acts be amended.

"The *Oxford, Worcester, and Wolverhampton* Railway Act, 1859."

Recites the Acts relating to the Company, and that by their Act of 1858 they were authorized to relinquish a Portion of the Kingswinford Branch, and to enter into Agreements with respect to a Line of Railway to connect the Works of the Kingswinford Ironmasters and the Estates of Lord Ward with the Part of the Kingswinford Branch authorized to be constructed; that the Main Line of Railway is carried over certain Valleys in the Foreign of Kidderminster, in the Parish of Hagley, in the Hamlet of Amblecote, and in the Parish of Kingswinford, by means of lofty Timber Viaducts, and it is apprehended that such Viaducts, or some of them, may become insecure, and it is therefore expedient that the Company be empowered to purchase Lands adjoining to such Viaducts for the Purpose of strengthening them, and, if needful, of substituting solid Embankments; also expedient that further Time be granted to the Company for the compulsory Purchase of Lands for such Purposes; that the Company are by their Acts required to construct their Railway with a double Line of Rails on the Broad Gauge, and in other respects so as to be worked continuously with the Great Western Railway; that the Great Western Railway, at the Points at which it joins the Railway of the Company, is constructed with Rails on the Narrow Gauge as well as on the Broad Gauge; that the Railway of the Company has been constructed with Rails on the Narrow Gauge, and also to a certain Extent with Rails on the Broad Gauge, in connexion with the Broad Gauge Rails of the Great Western Railway; that by an Agreement dated the 2d Day of February, 1859, it has been agreed between the Great Western Railway Company and the Company that in consideration, amongst other things, of the Payment of 18,000*l.* to the Great Western Railway Company by the Company, and that each of such Companies may respectively for a Period of Nine Years run Trains over and use certain Portions of the Railway of the other of such Companies without any Payment of Toll or otherwise, the Company should be relieved from any Obligations in respect of the Broad Gauge, except in respect of those Portions of their Railway which lie between the Junction thereof with the Line of the Birmingham, Wolverhampton, and Dudley Railway, near Priestfield Furnaces, in the Parish of Wolverhampton, and the joint Station at Wolverhampton, authorized by "The Oxford, Worcester, and Wolverhampton Railway (Deviation) Act, 1848," and between the said joint Station and a certain Field numbered on the Plans referred to in "The Oxford, Worcester, and Wolverhampton Railway (Deviation) Act, 1848," Thirteen in the Parish of Wolverhampton in the County of Stafford, and it is now no longer expedient that the Railway of the Company, except as aforesaid, should be constructed or maintained on the Broad Gauge; that by their Capital Act of 1856, the Company are authorized to raise the Sum of 350,000*l.* by the Creation of a First Preference Stock, to be called "Debenture Stock," and such Sum is made applicable, with respect to 200,000*l.*, Part thereof, to the Purposes therein referred to, and with respect to 150,000*l.*, other Part thereof, to the Construction of the Works necessary for the Completion of the Main Line of Railway with a double Line of Rails in the Manner prescribed by "The Oxford, Worcester, and Wolverhampton Railway (Stratford and Stourbridge Branches) Act, 1854;" that the Company will require Part of such Sum of 150,000*l.* for certain Payments engaged to be made to the Great Western Railway Company as One of the Conditions of their Assent to the Repeal of the Obligation to lay down the Broad Gauge, and some of the said Sum is fairly applicable to such Purpose as relieving the Company from the Liabilities on account of which the said Debenture Stock was granted; that by the Capital Act of 1856, as an Indemnity to the Proprietors of the then existing Preference Stock of the Company for any Loss which might arise to them by reason of the Creation of such Debenture Stock, such existing Preference Stock was made a first guaranteed Stock, bearing a guaranteed Dividend of 6*l.* per Centum per Annum, and as an Indemnity to the Proprietors of the then existing guaranteed Stock of the Company for any Loss which might arise to them by reason of the creation of such Debenture Stock, the Rate at which such Stock is to be redeemable is 115*l.* instead of 110*l.*, as provided by the Resolution of the Meeting under which the same was created; that it is expedient that the Company should be authorized to apply such Sum of 150,000*l.* in or towards the Purposes herein-after mentioned; that the Stratford Canal Annuities, and the Principal Money due upon Mortgage, Bond, or other Security on that Canal, is a Charge upon the general Undertaking of the Company (subject nevertheless to any Money raised or which was authorized to be raised previous to the passing of "The Oxford, Worcester, and Wolverhampton Railway (Improvements and Branches) Act, 1855," by Mortgage or Bond, on the Security of such Undertaking, and subject also to any Rents or other Charges or Incumbrances payable by the Company in respect of Land or any other Undertaking purchased or held under Lease by them); that the Amount to which the Company is liable to indemnify and save harmless the Company of Proprietors of the Stratford-upon-Avon Canal Navigation, in respect of the Annuities, Mortgages, and other Debts and Liabilities of the last-named Company of Proprietors, is the Sum of 52,104*l.* 4*s.* 10*d.*, and the Amount the Company is liable to pay for Distribution amongst the Shareholders is 108,330*l.*; that by reason of

such existing Claims on the Company it is expedient that the Company should be authorized to issue Debenture Stock, ranking pari passu with the general Debenture Stock, and that upon such Redemption the Stratford Canal Annuities and Principal Moneys aforesaid, which now form a prior Charge on the Undertaking of the Company, should be extinguished; that by "The Oxford, Worcester, and Wolverhampton Railway (Chipping Norton Branch) Act, 1854," Provision is made for the Working of the Branch by the Company, and the said Act contains Arrangements for the Distribution of the Profits received in respect of such Branch, and it is expedient that such Arrangements should be altered; and that the Company's Acts be otherwise amended.

Cap. ciii.

"The *Newcastle-under-Lyme* Burgesses Lands Act, 1859."

Recites that by 56 Geo. 3. c. xxxiii. certain Lands were directed to be allotted in lieu of Common Rights to Trustees therein-after nominated, by the Name and Style of "The Trustees for "the Burgesses of the Borough of Newcastle-under-Lyme, "in the County of Stafford, appointed by an Act passed in "the 56th Year of the Reign of King George the Third," and certain other Lands were directed to be allotted to the said Trustees for the Purpose of public Walks, and it was by the said Act declared that the Mayor, Recorder, Justices of the Peace, Bailiffs, Capital Burgesses, and Town Clerk of the Borough of Newcastle-under-Lyme aforesaid for the Time being, the Rector of the Parish of Newcastle-under-Lyme aforesaid for the Time being, and all Persons who were or should be Burgesses of the said Borough of Newcastle-under-Lyme for the Time being (they being severally qualified as therein-after mentioned), should be the Trustees for the Burgesses of the said Borough so far as regarded the Allotments, Estates, Rights, Powers, and Authorities by that Act given to the Trustees for the said Burgesses; and that by that Act the Trustees were directed to cause the Allotments made in lieu of Common to be fenced, and to let such Parts of them as they should find necessary to raise Funds for carrying out the Objects of the Trust, and should permit the Residue to be enjoyed by the Burgesses for the Time being as Stinted Pastures, subject to such Regulations as to the Use and Management of the Pastures as the Trustees should make; that the several Allotments vested in the said Trustees under the said Act for the Purposes of public Walks are now vested in the Local Board of Health of the said Borough; that the several Allotments made to the said Trustees in lieu of Rights of Common consisted of 205 Acres 1 Rood and 28 Perches, or thereabouts, of Lands situate in the several Parishes of Newcastle-under-Lyme, Trentham, Wolstanton, and Stoke-upon-Trent, and near to the Town of Newcastle-under-Lyme, which Lands were divided and fenced, and let and used as Pastures, for the Benefit of the Burgesses of the said Borough of Newcastle-under-Lyme; that under certain Acts of Parliament relating to the North Staffordshire Railway a Portion of the said Allotments, containing 13 Acres and 23 Perches, or thereabouts, was taken by the North Staffordshire Railway Company for the Purposes of the said Railway, and the Sum of 3,499*l.* was paid for the same; and under the said Acts the Sum of 2,500*l.*, Part of the said Purchase Money, was laid out in the Purchase of 21 Acres 2 Roods and 29 Perches of Land near the said Town of Newcastle-under-Lyme, which Lands were vested in the said Trustees upon the same Trusts, for the Benefit of the Burgesses of the said Borough as were subsisting in respect of the Lands so taken by the said Railway Company at the Time of taking the same; and the Sum of 999*l.*, the Residue of the said Purchase Money, was invested in the Public Funds in the Names of the Trustees; that the said Town of Newcastle-under-Lyme, and the Population and Trade thereof, have of late Years greatly increased, and some Parts of the said Allotments and Lands now vested in the said Trustees have, by reason of their Proximity to the said Town, become of

great Value for Building Purposes; and the limited Powers vested in the said Trustees in respect of such Lands now injuriously check the Extension of the said Town on the Sides adjoining the said Lands; that a Committee appointed by the said Trustees, and a Committee appointed by the Burgesses of the said Borough, to consider and report as to the Management of the Burgesses Lands, unanimously agreed to recommend a Scheme, being such as is embodied in this Act, for the Consideration of the Trustees and the Burgesses; that at a Public Meeting of the said Trustees, held on the 21st Day of October 1858, the said Scheme was approved, and an Act directed to be applied for; that at a Public Meeting of the said Burgesses, held on the 11th Day of October 1858, and convened for the Purpose of considering the said Scheme, it was resolved that the Opinion of the Burgesses should be taken by Signature to Copies of the said Scheme; and that in pursuance of such Resolution the Consent of a Majority of the said Burgesses has been given to the said Scheme, by signing their Names to a Copy thereof.

Cap. cxxxviii.

"The *Warrington and Stockport* Railway Leasing Act, 1859."

Recites that by "The Warrington and Altrincham Junction Railway Act, 1851," the Company was incorporated for the Purpose of making a Railway from Warrington in the County of Lancaster, to join the Manchester South Junction and Altrincham Railway near the Town of Altrincham in Cheshire; and by a subsequent Act passed in 1853 the Company were authorized to make Two short Branches near Warrington, and certain Powers were given to them to use the Undertakings of the Manchester South Junction and Altrincham Railway Company and of the Birkenhead, Lancashire, and Cheshire Junction Railway Company; and reciprocal Powers were given to the Two last-named Companies to use the Undertaking of the Warrington Railway Company; and whereas by another Act passed in the Year 1853 the Warrington Railway Company were authorized to extend their Railway from Altrincham to the Borough of Stockport, and the Name of the Company was changed from that of "The Warrington and Altrincham Junction Railway Company" to that of "The Warrington and Stockport Railway Company," but the Powers of the last recited Act have expired; that the Railway and Works authorized by the Two first-recited Acts to be constructed are completed and open for public Traffic, with the Exception of a certain Branch, which has been rendered useless because the Railway with which it was to be connected has not been constructed, and the Railway authorized by the first-recited Act is connected at the Western Extremity thereof with the Undertaking of the Saint Helens Canal and Railway Company, and at the Eastern Extremity thereof with the Manchester South Junction and Altrincham Railway, which is the joint Property of the Manchester, Sheffield, and Lincolnshire Railway and the London and North-western Railway Companies; and inasmuch as the Undertaking of the Warrington and Stockport Railway Company as at present completed is only 13 Miles in Extent, the working thereof as a separate Undertaking is unprofitable, and it is expedient that the Warrington Railway should be vested by Lease in the London and North-western Railway and the Saint Helens Canal and Railway Companies jointly for the Term and upon the Conditions herein-after mentioned, with a Power of Purchase; that the Ordinary and Preference Share Capital of the Warrington Railway Company, as limited and defined by the Warrington and Stockport Railway (Capital) Act, 1858, is 225,000*l.*, upon which a Sum of 187,093*l.* has been already paid up, and the Company are by the same Act authorized to borrow on Bonds or Mortgages, which they are further empowered to convert into Debenture Stock, the Sum of 75,000*l.*, of which 62,700*l.* has been already borrowed, making a total Capital in Shares and Loans of 300,000*l.*, and there are outstanding Liabilities of the Company which the unpaid Share Capital and Moneys so authorized to be borrowed will be sufficient to discharge.

Vesting Warrington Railway in Lessees, § 2.

III. There shall be paid by the Lessees to the Directors of the Warrington Railway Company, in equal half-yearly Sums, an annual Rent accruing from the First Day of January One thousand eight hundred and fifty-nine, which Rent shall be of such an Amount as will be sufficient to defray the several Charges following; that is to say,

Firstly, Interest on all the Liabilities of the Warrington Railway Company, incurred or necessarily consequent on Acts done or omitted before the passing of this Act, whether now payable or not, and whether consisting of Debts bearing Interest by Agreement or otherwise, or Bonds, Mortgages, or Debentures of the Company, and on Liabilities hereafter to be incurred with the Sanction of the Lessees at such Rate of Interest as such Liabilities shall respectively bear, and all Chief Rents to which the Warrington Railway Company is now liable: Provided always, that nothing herein contained shall revive any Remedies or Penalties which may have accrued or been recoverable against the Warrington Railway Company, but which have been lost by Effluxion of Time;

Secondly, Dividends on the Preference Shares of the Warrington Railway Company, created under the Authority of the recited Act of the last Session of Parliament, at the Rate of Dividend which such Preference Shares shall respectively bear;

Thirdly, Dividends on the Ordinary Share Capital for the Time being of the said Company at and after the Rate of 4*l.* per Centum for the First Year commencing on the said First Day of January One thousand eight hundred and fifty-nine, and of 4*l.* 5*s.* per Centum for every subsequent Year; and

Fourthly, the annual Sum of 100*l.* to the Directors of the said Company to defray their Expenses in the Distribution of the said Dividends and Interest, and in the Transaction of the Business of the said Warrington Railway Company:

Provided nevertheless, that the total Amount of Capital and Liabilities on which the said Lessees shall be liable to pay Interest or Dividends by way of Rent, whether consisting of Ordinary or Preference Shares, Debenture Stock, Bonds, Mortgages, Debts, or otherwise, shall not exceed the Sum of 300,000*l.*, except in respect of future Liabilities incurred with the Sanction of the said Lessees: Provided also, that if the said Amount of Capital and Liabilities, except such future Liabilities incurred with such Consent as aforesaid, shall in fact exceed the said Sum of 300,000*l.*, the Amount of Interest payable on such Excess shall be deducted from the Dividends on the Ordinary Share Capital of the Company.

IV. The said Rent shall be paid and payable as follows; that is to say, so much thereof as is herein-before provided to be paid for the Purpose of defraying any Charges other than Dividends on the Ordinary and Preference Share Capital of the Warrington Company, by Two equal Half-yearly Payments on the First Day of January and First Day of July in each Year; and so much thereof as is herein-before provided to be paid for the Purpose of defraying the Dividends on such Ordinary and Preference Share Capital by Two equal half-yearly Payments, on the First Day of February and First Day of August in each Year; the First of such Payments respectively to be made on the First Day of July and the First Day of August One thousand eight hundred and fifty-nine, or within Fourteen Days after the passing of this Act, if the same shall be after either of those Days respectively; and every such Payment shall, with all convenient Speed after the Receipt thereof by the Directors of the Warrington Railway Company,

be duly distributed among the Parties respectively entitled thereto.

As to Appointment of a Receiver, § 5.

VI. The said several Sums herein-before directed to be paid by the Lessees shall as between themselves, but not so as to affect the Rights of the Warrington Railway Company, be contributed by them in the Proportion of Two Third Parts thereof by the London and North-western Railway Company, and One Third thereof by the Saint Helens Canal and Railway Company; and if any Part of the said Rent shall be unpaid for the space of Two Months after Demand thereof in Writing by the Warrington Railway Company, under the Hand of their Chairman or Secretary, the Warrington Railway Company may recover the Sum so in arrear either by an Action of Debt against the Lessees or by Distress of any Goods and Chattels belonging to the said Lessees or either of them, which may be found upon the Warrington Railway; and if any of the said half-yearly Payments on account of Rent shall remain unpaid by both the Lessees for Six Months after Demand thereof in Writing as aforesaid, it shall be lawful for the Warrington Railway Company, in addition to the Remedies herein-before reserved, to re-enter upon their Undertaking, and to receive the Tolls, Rents, and Charges arising therefrom until the Amount due to them in respect of the said half-yearly Payments shall be discharged.

Lord High Admiral, &c. may make Articles for the Punishment of Mutiny, Desertion, &c.

CAP. XV.

An Act to make further Provision concerning Mortgages and other Dispositions of Property belonging to Municipal Corporations in *England* and *Ireland*. [15th *May* 1860.]

'WHEREAS it is expedient to make further Provision concerning Mortgages and other Dispositions of Property belonging to Municipal Corporations:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

Treasury, in approving Mortgages by Municipal Corporations, may require Money borrowed to be repaid within a limited Time, by Instalments or by a Sinking Fund, or by both.

I. In any Case where the Commissioners of Her Majesty's Treasury approve of any Mortgage of any Hereditaments of the Body Corporate of any Borough, the said Commissioners may, as a Condition of their Approval, require that the Money borrowed on the Security of such Mortgage shall be repaid, with all Interest thereon, in Thirty Years, or any less Period, and either by Instalments or by means of a Sinking Fund, or both, as the said Commissioners may think fit; and in every such Case the Sums required for providing for the Repayment of the Principal and Interest of the Money borrowed shall by virtue of this Act become charged upon the Hereditaments comprised in such Mortgage (without Prejudice to the Security thereby created), or any other Hereditaments (if any) of the said Body Corporate, or the Borough Fund, or the Borough or other Rates legally applicable for the Payment or Discharge of the Money borrowed, or the Expenses which such Money may be borrowed to defray, or on all or any of the Securities aforesaid, as the said Commissioners may direct.

How Sinking Fund to be raised.

II. When any Money to be borrowed as aforesaid is directed to be repaid by means of a Sinking Fund, the Council of the Borough shall, out of the Rents and Profits of the Hereditaments, or out of the Borough Fund or Rates on which the Sums required for such Sinking Fund are charged under this Act, invest or cause to be invested such Sums, and at such Times and in such Government Annuities, as the said Commissioners may direct, and shall also from Time to Time invest or cause to be invested

in

in like Manner all Dividends of such Annuities, so as to accumulate at Compound Interest, and all Annuities in which such Investments are made shall, in the Books of the Governor and Company of the Bank of *England* and of the Governor and Company of the Bank of *Ireland* respectively, be placed to the Account of the Body Corporate, and "In the Matter of the Municipal Corporation Mortgages, &c. Act, 1860," and the Dividends of such Annuities shall be paid to such Person or Persons as the said Council by Power of Attorney under the Corporate Seal of the Borough from Time to Time appoint, and shall be invested as herein directed; but the Annuities to be purchased shall not be sold or transferred without the Consent in Writing of the said Commissioners, addressed to the Chief Accountant of the Bank of *England* or of the Bank of *Ireland* (as the Case may require); and the Direction in Writing of the Council of the Borough by Power of Attorney under the Corporate Seal of the Borough, with such Consent in Writing of the said Commissioners, shall be sufficient Authority to the Governor and Company of the Bank of *England* or of the Bank of *Ireland* (as the Case may be) for permitting the Transfer of such Annuities or any Part thereof.

When Money paid into the Bank, under any Act of Parliament, for Purchase of Lands, &c. of a Municipal Corporation, is paid out, Treasury may require Provision to be made for replacing the Amount.

III. Where any Purchase Money or Compensation has been paid into the Bank of *England* or *Ireland*, under any Act of Parliament, in respect of any Hereditaments, or any Interest therein, purchased or taken from any such Body Corporate, or in respect of any permanent Damage to any Land of any such Body Corporate, and the said Commissioners approve of the Payment of such Money or Compensation, or of any Money to arise from the Sale of any Government Securities in which the same may have been invested, to such Body Corporate or their Treasurer, the said Commissioners may, as a Condition of their Approval, require Provision to be made for raising in manner herein-before provided with respect to a Sinking Fund for Repayment of Money borrowed on Mortgage, and investing in Government Annuities a Sum equivalent to the Amount of Money so paid to such Body Corporate or their Treasurer; and the Provisions herein-before contained in the Case of a Sinking Fund, as to the Mode of investing, Payment of Dividends, and Transfer of Annuities, shall be applicable in the Case of Investments under this Provision; and the said Commissioners shall, when it appears to them that an Amount of Annuities equivalent to the Amount paid as aforesaid has been raised by Investment under this Enactment, direct that the Accumulation shall cease; and such Annuities and the Dividends thereof shall thenceforth be applicable as the same would have been if such Annuities had arisen from Investment under the Act of Parliament under which such Purchase Money or Compensation as aforesaid became payable: Provided always, that this Section shall not apply to any Money payable to a Body Corporate, when Provision for the Application of such Money, or of the Price or Compensation from which such Money has been derived, is contained in any Local Act of Parliament relating thereto, and the Money is to be paid to such Body Corporate, to be applied in conformity with such Provision.

Not to apply to Money, when Provision for its Application is contained in any Local Act.

Treasury may, where they authorize a Sale of Land of any Municipal Corporation, direct Investment of Proceeds.

IV. Where the said Commissioners approve of the Sale of any Hereditaments, or any Interest therein, of any such Body Corporate, their Approval may be subject to such Conditions for and in relation to the Investment of the Proceeds of such Sale for the Benefit of such Body Corporate as the said Commissioners may see fit, and where they direct the same to be invested in Government Annuities, the Provisions herein-before contained as to the Mode of investing, Payment of Dividends, and Transfer of such Annuities, shall be applicable, but not so as to render necessary any Accumulation; or if the said Commissioners see fit to consent to the Application of the Proceeds of such Sale or any Part thereof for the Benefit of the Inhabitants of the Borough, they may as a Condition of their Consent require the like Provision to be made as they are authorized to require in the Case of their Approval of Payment to any such Body Corporate or their Treasurer as herein-before mentioned; and this Enactment shall apply as well to any Money received for Equality of Exchange by any such Body Corporate as to the Proceeds of the Sale of any Hereditaments or Interest in Hereditaments of any such Body Corporate.

Power to apply certain Investments for the Benefit of the Borough.

V. The said Commissioners may at any Time consent to the Application of any Annuities arising from Investments under either of the Two last preceding Sections, or of the Monies to arise from the Sale thereof or any Part thereof respectively, for the Benefit of the Inhabitants of the Borough, and as a Condition of their Consent may require the like Provision to be made as they are authorized to require in the Case of their Approval of Payment to any such Body Corporate or their Treasurer as herein-before mentioned, and so from Time to Time, as often as the said Commissioners think fit, and the Provisions of this Act shall be applicable accordingly: Provided always, that nothing in this Act shall be deemed to make it imperative on the said Commissioners to require such Provision as aforesaid as a Condition of their Assent to the Application of such Annuities or Monies, or to the Payment of any Purchase Money or Compensation in respect of Hereditaments of a Body Corporate (or Money to arise from the Sale of Investments thereof,) to such Body Corporate or its Treasurer, where by reason of the Application of such Annuities or Monies to Improvement of the Property of such Body Corporate, or for the permanent Benefit of the Borough or otherwise, under the special Circumstances of the Case, the Commissioners in their Discretion think fit to dispense with such Provision.

Proviso, setting aside, in certain Cases, Direction as to Investment of Proceeds.

Act, 1860," or may require any Money applicable for the Purposes of such Sinking Fund to be invested in the Purchase of Government Annuities in the Name of such Body, and "In the Matter of the Municipal Corporation Mortgages, &c. Act, 1860;" and the Order in Writing of the said Commissioners for that Purpose shall be a sufficient Discharge to such Trustees from all Claims in respect of the Transfer of such Securities in pursuance of such Order, and the said Commissioners may in the respective Cases aforesaid give such Directions as they might give in the analogous Cases herein-before provided for, arising after the pasing of this Act, or as near thereto as the Circumstances of the Case may require, and the Provisions of this Act shall be applicable accordingly.

Power to appoint certain Warehousing Places.

I. The Commissioners of Her Majesty's Treasury may, by their Warrant, appoint that the Parish of *Manchester*, the Boroughs of *Birmingham*, *Leeds*, and *Sheffield*, or any of them, and such other Places as they may see fit, shall be Warehousing Places, subject to the Provisions herein-after contained.

Powers of Customs Acts conferred upon Commissioners applicable to this Act.

II. The Powers and Authorities conferred by the Customs Consolidation Act, 1853, upon the Commissioners of the Treasury for the Appointment of Warehousing Ports, and upon the Commissioners of Customs for the Approval of Warehouses in such Ports, shall extend to and be applicable to the said Parish and Boroughs or any of them, and to any other Place or Places in the United Kingdom which the said Commissioners of the Treasury may consider to have a sufficient Consumption of Articles paying Customs Duties to justify the Expense of a Customs Establishment, and may see fit to appoint as Warehousing Places, and to any Warehouse or Warehouses in any such Place or Places which the said Commissioners of Customs may see fit to approve for the warehousing of Goods for the Security of Duties of Customs; and the said Commissioners of the Treasury by Warrant under their Hands, and the said Commissioners of Customs by Order under their Hands, are hereby authorized and empowered to appoint and approve of any such Place or Places, Warehouse or Warehouses, accordingly; and, except as herein-after mentioned and provided, the said Act, and all other Acts now or hereafter to be made relating to the Customs, and all the Powers and Authorities, Provisions, Privileges, Forfeitures, Securities, Penalties, Rules, Regulations, Restrictions, Matters, and Things contained therein, or made or done in pursuance thereof, with reference to Warehousing Ports and Warehouses appointed or approved under the said Act or any other Act relating to the Customs, shall, so far as the same are or can be made applicable, extend and apply to every Warehousing Place and Warehouse which shall or may be appointed or approved under or in pursuance of this Act, and to the Proprietor or Occupier of and to the Conduct and Management of the Business of every such Warehouse, and the Security of Duties of Customs due or payable upon or in respect of all Goods deposited therein.

IV. When the Site of the Custom House in any Place appointed under this Act shall have been fixed or determined on by the Commissioners of Customs, it shall be lawful for the said Commissioners to refuse their Approval of any Warehouse above One thousand Yards from such Site.

CAP. XXXVII.

An Act to levy an Assessment in the County of *Inverness* to discharge a Debt on the *Castle Stewart and Nairn* Road in the said County. [23d *July* 1860.]

'WHEREAS the following Acts were passed for the Purpose of making and keeping in repair certain Roads and Bridges in *Scotland;* that is to say, the Acts of the Forty-third of *George* the Third, Chapter Eighty, of the Fifty-ninth of *George* the Third, Chapter One hundred and thirty-five, of the Fourth of *George* the Fourth, Chapter Fifty-six, of the Fifth of *George* the Fourth, Chapter Thirty-eight, of the Third and Fourth of *William* the Fourth, Chapter Thirty-three, and of the Eleventh and Twelfth of *Victoria*, Chapter Forty: And whereas by the said Act of the Third and Fourth of *William* the Fourth, Chapter Thirty-three, after reciting that it was expedient that Power should be granted to the Commissioners for Highland Roads and Bridges to fix and settle Plans for the Alteration and Improvement (amongst others) of the Line of Road from a Point near *Castle Stewart* to the Western Extremity of the *Nairnshire* Turnpike Coast Road, passing through the Parishes of *Inverness, Petty,* and *Ardersier*, in the County of *Inverness*, it was enacted that as soon as sufficient Funds for defraying the Expense of making any such altered or new Line of Road should be provided to the Satisfaction of the said Commissioners in any of the Ways specified in the said Act, the said Commissioners should be authorized and required to fix the precise Line or Direction of any such Road; and from and after the Time when any such Alteration and Improvement should be completed, the said Commissioners should be authorized and empowered to direct Tolls to be levied on such Road, and that such Road when so altered and improved should be maintained in repair by the said Commissioners: And whereas the said *Castle Stewart and Nairn* Road was made by the said Commissioners under the Provisions of the last-recited Act, and the Funds necessary for its Formation were raised by borrowing Money on the Credit of the Tolls leviable on the said Road, and a Portion of the Debt so contracted, amounting to Two thousand seven hundred Pounds, still remains undischarged: And whereas, from the Formation of Railways and other Causes, the Traffic on the said Road has much diminished, and the Revenue derived from the Tolls thereon is not more than sufficient to defray the Expense of maintaining the said Road in repair, and affords no Surplus by means of which the Debt may be paid off, and it is therefore expedient that Provision should be made for the Payment of the Debt:' Be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

43 G. 3. c. 80. 59 G. 3. c. 135. 4 G. 4. c. 56. 5 G. 4. c. 38. 3 & 4 W. 4. c. 33. 11 & 12 Vict. c. 40.

Assessment to be levied for the Purposes of this Act.

I. The Commissioners of Supply of the County of *Inverness* shall annually impose and levy an Assessment, for the Purpose of discharging the said Debt of Two thousand seven hundred Pounds, upon and from all Lands and Heritages within the County of *Inverness*, according to the yearly Rent or Value thereof, as established by the Valuation Rolls made up under the Valuation of Lands (*Scotland*) Acts, Seventeenth and Eighteenth *Victoria*, Chapter Ninety-one, and Twentieth and Twenty-first *Victoria*, Chapter Fifty-eight, or any other Act relating to the Valuation of Lands in *Scotland*, which may be in force for the Time being, and that at such Rate in every Year as shall be necessary in order to provide sufficient Funds for the Purposes of this Act, including such Sum as may be requisite to cover the Expenses of Assessment and Collection, and any Arrears of preceding Years; and such Assessments shall be imposed, levied, and recovered in the Manner provided by the recited Acts, or any of them, and under the Provisions thereof, which are hereby incorporated with this Act, and made applicable to the Assessments to be levied under this Act.

Period of Assessment not to exceed 30 Years.

II. Writs of Execution of Judgments to be registered.

I. 'Whereas it is desirable to place Freehold, Copyhold, and Customary Estates on the same Footing 'with Leasehold Estates, in respect of Judgments, Statutes, and Recognizances as against Purchasers 'and Mortgagees, and also to enable Purchasers and Mortgagees of Estates, whether Freehold, 'Copyhold, or Customary or Leasehold, to ascertain when Execution has issued on any Judgment, 'Statute, or Recognizance, and to protect them against Delay in the Execution of the Writ:' Be it therefore enacted, that no Judgment, Statute, or Recognizance to be entered up after the passing of this Act shall affect any Land (of whatever Tenure) as to a *bonâ fide* Purchaser for valuable Consideration, or a Mortgagee, (whether such Purchaser or Mortgagee have Notice or not of any such Judgment, Statute, or Recognizance,) unless a Writ or other due Process of Execution of such Judgment, Statute, or Recognizance shall have been issued and registered as herein-after is mentioned before the Execution of the Conveyance or Mortgage to him, and the Payment of the Purchase or Mortgage Money by him: Provided always, that no Judgment, Statute, or Recognizance to be entered up after the passing of this Act, nor any Writ of Execution or other Process thereon, shall affect any Land of whatever Tenure as to a *bonâ fide* Purchaser or Mortgagee, although Execution or other Process shall have issued thereon, and have been duly registered, unless such Execution or other Process shall be executed and put in force within Three Calendar Months from the Time when it was registered.

Mode of registering.

II. The Registry herein-before required of any Writ of Execution, or other due Process on any Judgment, Statute, or Recognizance, in order to bind a Purchaser or Mortgagee, shall be made by a Memorandum or Minute referring to the Judgment, Statute, or Recognizance already registered, so as to connect the Registry of the Writ of Execution or other Process therewith; such Memorandum or Minute to be left with the Senior Master of the Court of Common Pleas at *Westminster*, who shall forthwith enter the Particulars in a Book in alphabetical Order by the Name of the Person in whose Behalf the Judgment, Statute, or Recognizance upon which the Writ of Execution or other Process issued was registered, and also the Year and the Day of the Month when every such Memorandum or Minute is left with him, and such Officer shall be entitled for any such Registry to the Sum of Five Shillings; and all Persons shall be at liberty to search the same Book, in addition to all the other Books in the same Office, on Payment of the Sum of One Shilling only: And all the Provisions in this Act in regard to Writs of Execution or other Process and the Registry thereof, or otherwise relating thereto, shall extend, *mutatis mutandis*, to Writs of Execution or other due Process issuing on Judgments of the several Courts of Common Pleas of the County Palatine of *Lancaster*, and of Pleas of the County Palatine of *Durham*: But none of these Provisions are to extend to *Ireland*.

'same

'same Acts contained the Dockets existing under the said first-recited Act have been finally closed: 'And whereas the said several later Acts do not expressly enact that Judgments not docketed as thereby 'required shall not have any Preference against Heirs, Executors, or Administrators in their Administration of their Ancestors, Testators, or Intestates Estates, in consequence whereof such Heirs, 'Executors, or Administrators have been held to have lost the Protection which they enjoyed under the 'said first-recited Act, and it is expedient that the same should be restored:' Be it therefore declared and enacted, That no Judgment which has not already been or which shall not hereafter be entered or docketed under the several Acts now in force, and which passed subsequently to the said Act of the Fourth and Fifth Years of King *William* and Queen *Mary*, so as to bind Lands, Tenements, or Hereditaments as against Purchasers, Mortgagees, or Creditors, shall have any Preference against Heirs, Executors, or Administrators in their Administration of their Ancestors, Testators, or Intestates Estates.

Judgments as against Heirs and Executors to be re-registered.

IV. No Judgments which since the passing of an Act of the First and Second Years of Her Majesty Queen *Victoria*, intituled *An Act for abolishing Arrest on Mesne Process in Civil Actions except in certain Cases, for extending the Remedies of Creditors against the Property of Debtors, and for amending the Laws for the Relief of Insolvent Debtors in* England (being One of the Acts herein-before referred to), have been registered under the Provisions therein contained, or contained in the later Act of the Second and Third Years of Queen *Victoria*, Chapter Eleven, as explained and amended by the Act of the Session of the Eighteenth and Ninteenth Years of Queen *Victoria*, Chapter Fifteen, (being Two other of the Acts herein-before referred to,) or which shall hereafter be so registered, shall have any Preference against Heirs, Executors, or Administrators in their Administration of their Executors, Testators, or Intestates Estates, unless at the Death of the Testator or Intestate Five Years shall not have elapsed from the Date of the Entry thereof on the Docket or from the only or last Re-registry thereof, as the Case may be, which Re-registry from Time to Time is hereby authorized to be made in manner directed by the said Act of the Second and Third of Queen *Victoria*, as explained and amended by the Act of the Eighteenth and Nineteenth of Queen *Victoria*; but it shall be deemed sufficient to secure such Preference as aforesaid, if such a Memorandum as was required in the first instance is again left with the Senior Master of the Common Pleas within Five Years before the Death of the Testator or Intestate, although more than Five Years shall have expired by Effluxion of Time since the last previous Registration, before such last-mentioned Memorandum or Minute was left; and so *toties quoties* upon every Re-registry.

Provision for Cases of future and contingent Uses.

VII. Where by any Instrument any Hereditaments have been or shall be limited to Uses, all Uses thereunder, whether expressed or implied by Law, and whether immediate or future, or contingent or executory, or to be declared under any Power therein contained, shall take effect when and as they arise by force of and by relation to the Estate and Seisin originally vested in the Person seised to the Uses, and the continued Existence in him or elsewhere of any Seisin to Uses or Scintilla juris shall not be deemed necessary for the Support of or to give Effect to future or contingent or executory Uses, nor shall any such Seisin to Uses or Scintilla juris be deemed to be suspended, or to remain or to subsist in him or elsewhere.

BANBURY.

Provisional Order for the partial Repeal and Alteration of a Provisional Order applying the Public Health Act, 1848, *to the District of Banbury, and of the First Public Health Supplemental Act*, 1852.—*Local Government Act*, 1858.

Whereas the Public Health Act, 1848, was duly applied to the District of Banbury, comprising the Corporate Borough of Banbury and the non-corporate townships, hamlets, or places of Neithrop, Hardwick, Calthorpe, Wickham, and Easington, in the County of Oxford, and Grimsbury and Nethercote in the County of Northampton (the same being an area co-extensive with the ecclesiastical Parish of Banbury), by a Provisional Order of the General Board of Health, bearing date the 28th day of July 1851, confirmed by the First Public Health Supplemental Act, 1852; and whereas by the 4th Section of the last herein-before mentioned Act it is provided, "That the rates leviable within the District

District of Banbury, as constituted by the Order in the Schedule to this Act, under the Public Health Act, 1848, or so much of any Local Act as remains unrepealed by the Provisional Order applying the said Public Health Act within the said District, or any Act incorporated with the said Public Health Act, as applied to the said District by the said Order and this Act, shall not, inclusive of all highway rates, in any one year exceed in the whole the sum of three shillings and sixpence in the pound upon the net annual value of property assessable thereto within the corporate part of any such District, or the sum of two shillings in the pound upon the net annual value of property assessable to such rates, or any of them, within the non-corporate part of the said District, except property within the non-corporate part of the said District consisting of land used as arable, meadow, or pasture ground only, or as woodlands, market gardens, or nursery grounds, land covered with water, or used only as a canal, or towing-path for the same, or as a railway constructed under the powers of any Act of Parliament for public conveyance; and as to such excepted property, the rates so leviable, inclusive of all highway rates, shall not in any one year exceed in the whole the sum of sixpence in the pound upon the net annual value of such excepted property."

And whereas the provisions contained in the said Section of such Act, so far as the same are applicable to that portion of the non-corporate part of the aforesaid District of Banbury therein mentioned which is situated in the County of Oxford, have been found to operate unfairly and oppressively as between the ratepayers of and in such portion who are now by law assessed at the full net annual value of their property, and the ratepayers of and in such portion who are now by law assessed at one fourth of the full net annual value of their property within the District aforesaid; and whereas the said Local Board of Health have, in pursuance of the provisions of the 77th Section of the Local Government Act, 1858, presented a Petition to me, as one of Her Majesty's Principal Secretaries of State, praying that the provisions contained in the Provisional Order applying the Public Health Act, 1848, to the aforesaid District of Banbury, and in the First Public Health Supplemental Act, 1852, may be partially repealed or altered, and such new provision made as would empower the said Local Board of Health for the time being to levy, throughout the non-corporate parts of such District situate in the County of Oxford, highway rates not exceeding in any one year the sum of one shilling in the pound, and enact that the land and other property in the last herein-before mentioned parts of such District which, by the provisions of the Public Health Act, 1848, are assessable on one fourth only of the annual value thereof, should not, in any year in which the same should be assessed to any Highway Rates or Rates, be assessed to or liable to the paying of any other rates whatever to be made by the said Local Board.

And whereas, in pursuance of the said Local Government Act, inquiry has been directed in the said District in respect of the several matters mentioned in the said Petition.

And whereas it appears expedient to issue a Provisional Order in relation to the said matters, but no such Order can be valid without confirmation by Parliament.

Now, therefore, in pursuance of the powers vested in me by the said Local Government Act, I, as one of Her Majesty's Principal Secretaries of State, do, by this Provisional Order, under my hand, direct that from and after the passing of any Act of Parliament confirming this Order—
